**MOTION FOR RULING  
REGARDING PROOF OF CAUSATION**

Kimberly Allen, by and through counsel Ashburn & Mason, P.C., hereby moves this Court for a ruling on the appropriate standard for her burden of proof regarding causation given that the defendant's negligence in this case has made it more difficult for her to prove causation conclusively. Specifically, Ms. Allen moves this court to shift the burden of proof on causation to the United States upon her proving that the

United States was negligent and that the defendant's negligence has made it difficult for her to demonstrate causation conclusively. Alternatively, the plaintiff moves this Court for a ruling preventing the defendant from relying on the lack of information resulting from its negligence to defend against liability in this case.

This motion is supported by the memorandum and attachments thereto filed simultaneously herewith.
